“Where Experience Counts”

Swartz Aviation Group has been providing aircraft brokerage, acquisition and sales services for our customers with over 50 years of combined experience. We offer complete turn-key services, from the initial stages of the purchase or sale, through closing and delivery customer support. Our mission is to provide all customers with exceptional value and service.

The founding philosophy of our veteran-owned business has remained that of developing long-term relationships with each of our clients, coupled with confidence and trust. We are mechanics, pilots, and aircraft owners just like you.
